

District 6980 DDF

Special Matching Grant Form

General Description

Due to the fiscal issues facing The Rotary Foundation (TRF), many clubs will be unable to receive matching funds from TRF for their 2009-2010 Humanitarian Grants.

To rectify this funding issue the District 6980 Allocation Committee has voted to reallocate the District's share of the 2009-2010 DDF to be used as Matching DDF funds for humanitarian grants submitted by District 6980 clubs.

RI District 6980 is making an additional \$47,500DDF available to its member clubs for Matching Grants this year. This DDF is only available for the 2009-2010 Rotary Year. This is a one-time DDF option to help promote the continued submission of Humanitarian Grants by District 6980 Clubs.

Deadlines and Matching DDF Criteria

- All grants must be reviewed by the assigned Grants Subcommittee Member prior to submitting to Bob Shydo, District Grants Subcommittee Chair
- All incomplete or ineligible grants will be returned without being processed
- Grants will be given priority based on the date of receipt by Bob Shydo, District Grants Subcommittee Chair
 - Grants submitted to RI but not receiving matching DDF from RI will receive priority processing & will go to the head of the list
- DDF will be matched at the rate of 100% up to a limit of \$8,000DDF for each submitted grant
- The matching DDF will be allocated on a FIFO basis. When the DDF funds are depleted this program will end and the unused DDF will revert back to the District.
- The start date for this special District Matching DDF is September 12, 2009.
- The end date for submission of special District Matching DDF Grant Requests will end on October 31, 2009. All grants received after this date will be ineligible for this program and will be returned without processing.
